Mr. Thomas,

Today is a very busy day as the murder inquiry will a night a construction expense and a full search and elimination of the deceased's car and found the body.

I have concerns about the supervisory levels of "U" Division as at present. There are 2 S/S's of rank and the plea; S/S Harvey at VA and S/S Lee at UB.

DG Mr. Allister is Deputy SIO on this very involved inquiry and fully committed to it as is myself. DG Mr. Dodd is doing all Divisional administrative tasks and has indicated a Church should also type inquiry which S/S Patterson had started. He has now retired.

The need for a replacement DG is paramount as this would break a supervisory control of the sub divisions and this ~~is~~ person will perform a "floating" nature S/S role. Would you consider this.

Yours faithfully
Sgt. Titcomb
