

Deputy Crown Agent

Copy to: Chief Executive

Thank you for your note which I have copied for others interests.

To be blunt I find it difficult to understand how the Tribunal came to its conclusions standing our own view of what went wrong. The Board is making it difficult for us in not showing us the report.

I think you should see Harry Bell and find out what it is he proposes for bringing back the experts and what expectation he has of how we will deal with their evidence. You should also explain our difficulties.

In the meantime the answer to the PQ should be something along the lines that discussions are continuing with SCRO and we are considering the position.
