FINGERPRINT SECTION

CASE AGAINST: DAVID ASBURY

REPORT (In terms of Section 26 of the Criminal Justice (Scotland) Act 1980 as amended).

We, Hugh MacPherson, Charles Stewart, Fiona McBride and Anthony Joseph McKenna, authorised by the Secretary of State for the purposes of Section 26(2) of the Criminal Justice (Scotland) Act 1980, hereby report as follows:-

On the dates shown in the Scottish Criminal Record Office, Fingerprint Section, we received from Strathclyde Police the following articles for fingerprint examination.

16 JANUARY 1997 PHOTOGRAPHED IMPRESSION NUMBERED UC01050197Y7 FROM
RIGHT HAND SIDE HALLWAY BATHROOM DOOR SURROUND
5 FT †

7 FEBRUARY 1997 ELIMINATION FINGER AND PALM PRINT FORM IN THE NAME OF
SHIRLEY CARDWELL

The result of our examination is as follows:-

It was found that the aforementioned photographed impression was identical in the sequence of ridge characteristics with the left thumb print on the elimination finger and palm print form in the name of Shirley Cardwell.

Hugh MacPherson
Fiona McBride

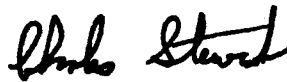

Charles Stewart
Anthony J McKenna

We have no doubt that the aforementioned photographed impression was made by the person whose fingerprints are shown on the elimination finger and palm print form in the name of Shirley Cardwell.

From examination of the photographed impression itself and examination of the locus photograph of the impression Y7 in situ, it was ascertained that the top of the left thumb print, which was identified, was facing in an inward direction, relative to the bathroom.
