CASE AGAINST: DAVID ASBURY

REPORT (In terms of Section 26 of the Criminal Justice (Scotland) Act 1980 as amended).

We, Hugh MacPherson, Charles Stewart, Fiona McBride and Anthony Joseph McKenna, authorised by the Secretary of State for the purposes of Section 26(2) of the Criminal Justice (Scotland) Act 1980, hereby report as follows:-

On the dates shown in the Scottish Criminal Record Office, Fingerprint Section, we received from Strathclyde Police the following articles for fingerprint examination.

- 16 JANUARY 1997 - PHOTOGRAPHED IMPRESSION NUMBERED UC01050197 Y7 NOW SHOWN ON PAGE 1 OF BOOK 'L'
- 7 FEBRUARY 1997 - ELIMINATION FINGER AND PALM PRINT FORM IN THE NAME OF SHIRLEY CARDWELL (D.C.)
- 18 FEBRUARY 1997 - PHOTOGRPAHED IMPRESSION NUMBERED UC01050196 Y7 NOW SHOWN ON PAGE 1 OF BOOK 'L'

The result of our examination is as follows:-

It was found that the aforementioned photographed impressions were both identical in the sequence of ridge characteristics with the left thumb print on the elimination finger and palm print form in the name of SHIRLEY CARDWELL (D.C.)

*Hugh MacPherson*  
*Anthony J. McKenna*

*Charles Stewart*  
*Fiona McBride*

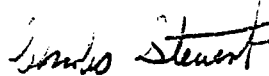

To illustrate this identification, enlargements were prepared of the impression numbered UC01050197 Y7 and of the left thumb print on the elimination finger and palm print form in the name of SHIRLEY CARDWELL (D.C.).

Sixteen ridge characteristics in sequence and agreement were marked on each. These enlargements, which are shown on page 2 of book 'L', can be related to the relevant impression on the elimination finger and palm print form and the photographed impression.

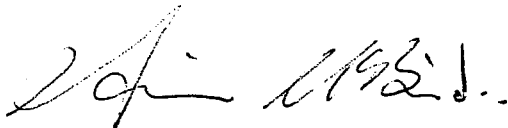

We have no doubt that the aforementioned photographed impressions contained in the book was made by the person whose fingerprints are shown on the elimination finger and palm print form in the name of SHIRLEY CARDWELL (D.C.)
